

Hello Everyone,

Thank you for your continued prayers and support. Please know of my prayers for all of you. First of all, I had a wonderful Christmas break! I enjoyed having time to visit with family and friends and so many great people from Glandorf, Miller City/New Cleveland, Toledo, Rossford, and throughout the whole diocese. I feel so blessed to have so many incredible people in my life.

As Christmas break began, my friend Mark Famuliner (seminarian from Missouri), his dad, and I took a trip to the desert southwest. We went to Zion and Bryce Canyon National Parks in Utah and Grand Canyon National Park in Arizona. With a stop also at Hoover Dam and a drive on Historic Route 66. It was a trip full of laughs, cowboy songs, and some of the beauty of God's creation. If you have never been to these National Parks, I would suggest taking time to explore them and enjoy their beauty. If you don't mind some cool or maybe cold weather, go in the wintertime when there are few crowds and the parks are quiet and peaceful.

Thank you so much in advance for your support of the Annual Catholic Appeal for the Diocese of Toledo. No donation is too small, and a portion of the funds go towards funding the education of our diocesan seminarians. Also, please continue to encourage young men and women to pray about their vocation and to try religious life. For in the case of the priesthood, imagine your parish has to provide themselves with a pastor. That means roughly at a minimum; a priestly vocation would have to come from your parish every ten years. When was the last time a priest, brother, or sister came from your parish? And if it was recent, when was the one before them?

Well, my classes for the spring semester consist of: Pauline Literature, Principles of Sacramental Theology, Catholic Medical Ethics, Pastoral Counseling, Pastoral Spanish IV, and Introduction to Canon Law.

Around seventy seminarians from school and I went to the March for Life in Washington D.C in January. It was a fantastic event, filled of hope and excitement. Hundreds of thousands of people were there, and many were young. Many Catholic religious orders, parishes, schools, and organizations were present. With all the Masses being said throughout the city and prayers while marching, it was a powerful Catholic witness. All in attendance gave a voice to those who cannot speak.

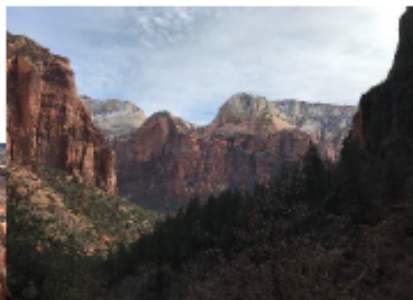

Hopefully, with the Supreme Court now having heard a recent case on a Mississippi abortion law (Dobbs v. Jackson Women's Health Organization) this last fall, Roe v. Wade (1973) will be overturned. This would mean the issue of abortion will be back in the hands of the states. Luckily the majority of the states will be passing and have passed PRO-LIFE laws. The fight for life would then head to the states that would still allow abortions and from there against the use of contraception.

If a baby in the womb of its mother is not seen as a person, then it is a slippery slope, and before you know it, people outside the womb could be seen as not having personhood/value (holocaust, euthanasia, slavery, etc.). Without life, no other issue matters. It begins with the right to live! Pray for the protection of all life, conception to natural death.

Remember, God helps those who will put their trust in Him.

God Bless,

Eric T. Kaufman

Jesus reminds us who are the blessed and warns us about who are cursed. Pray that you may be among those who are blessed. (Luke 6:17, 20-26)

For those who have died, especially the poor, the hungry, the sorrowful and those who suffer injustice, may the promise of blessings be theirs. We pray.

READINGS FOR NEXT SUNDAY FEBRUARY 20

1Sm 26:2, 7-9, 12-13, 22-23 1Cor 15:45-49 Lk 6:27-38

**From the
Desk of
Fr. Tony**

**FEBRUARY 13, 2022
6th Sunday of Ordinary Time**

Today Jesus gives us the beatitudes, “Blessed are you who are poor, for the kingdom of God is yours. Blessed are you who are now hungry, for you will be satisfied. Blessed are you who are now weeping, for you will laugh. Blessed are you when people hate you, and when they exclude and insult you, and denounce your name as evil on account of the Son of Man.” Jesus is telling us that discipleship will be difficult in this life. He is telling us that we will not get many rewards being his disciple on earth. We will endure sadness, insult, hate of others, and exclusion from others. For some it may be the very reason why they do not want to follow closely to Jesus.

Some of us may want our rewards now on earth. We do not want to wait for the next life. We just have to make up our minds now. We need to stop straddling the issue. Do I want to be a close follower of Christ now or not? There is never a half way option. Jesus says that we are either with him or against him. No lukewarmness. This is a difficult option because we are used to half way options.

Jesus, I want to follow you now! I want to be with you in this life and the next. Jesus, you know that I am weak and that I have a hard time with people’s impressions of me but I trust you above all things. I need you Jesus more than anything. Jesus, without you I am a man with superficial relationships. Jesus, I have no meaning in life without you. Without you I just want to be comfortable all the time. Help me Jesus to follow you. Amen. God bless you all. Fr. Tony
