## SNOW EMERGENCY LEVELS

Diocese of Toledo Snow Emergency Policy: Whenever a county/city within the Diocese of Toledo is placed under a Level 3 Snow Emergency, during which all roadways are closed to non-emergency personnel, the Catholic Churches within that geographic region will cancel the scheduled Saturday Vigil, Sunday, or Holy Day Masses. Roman Catholics in that region, therefore, are dispensed from the obligation to attend Mass. If Masses are cancelled, Catholics are encouraged to participate in Holy Mass via television, radio, or internet, making a spiritual Communion.

If Putnam County is ever under a Level 3 Snow Emergency the regular Mass times will be canceled here at St. John's. There will be a Mass at Noon, if you can get here safely you are welcome. If not, we encourage you to watch it on cable channel 3 or on our Youtube page. Level 1 and 2 snow emergencies, come if you can get here safely. If Ottawa-Glandorf Schools cancel youth activities, St. John's youth activities will also be cancelled.

## 2 FROM THE DESK OF DEACON DON

[www.stjohnnglandorf.org](http://www.stjohnnglandorf.org)

We see in the readings this weekend that God calls us to be holy as the Lord God is holy. The reading of St. Paul to the Corinthians says that "we are temples of God and that if anyone destroys God's temple, God will destroy that person." And so, we are called to see the holiness in other people. The Gospel message is a continuance of the sermon on the mount as Jesus focuses on two basic Christian attitudes; that of acting with selflessness and loving one's enemies. Jesus refers to the Old Testament saying of "an eye for an eye and a tooth for a tooth," as not appropriate for today's world. Instead the injured party must give in to pride and ego and take no retribution on anyone who inflicts some sort of evil. This selflessness must be our guide to be a charitable person; one who will go the extra mile in helping those in need. We must allow God's love and our love for others to prevail over sin. We need to apply the golden rule to our encounters with those people that we meet in our everyday lives.

## FROM THE DESK OF FATHER MATT

I am a cradle Catholic and most of the people I grew up around were also cradle Catholics. I grew up with some awareness of the Rite of Christian Initiation of Adults (RCIA). I understood it to be the program for adults to become Catholic. If you are a cradle Catholic, you probably have this basic understanding of RCIA as well. RCIA is more than a program, it is a process that an adult journeys through to become a member of the Catholic Church.

In our RCIA process here at St. John's this year, we have three Catechumens, which means they have never been baptized and at the Easter Vigil they will be baptized and receive the Sacraments of the Eucharist and Confirmation. They will be fully initiated into the Catholic Church and become its members. We also have one candidate, which means this individual was baptized in a Christian Church that was not Catholic. And now this individual wants to be received into full communion of the Catholic Church and will receive the sacraments of Eucharist and Confirmation during the Easter Vigil.

As part of the adult process of becoming Catholic, the church calls for them to participate in different rituals. Back in December, they participated in the Rite of Acceptance into the Order of Catechumen and the Rite of Welcome for our candidate. During this rite their senses were signed so that they could hear the word of God. As we prepare to enter the Season of Lent our Catechumens and candidate will begin the Period of Purification and Enlightenment. This period begins on the First Sunday of Lent when here at St. John's, the Catechumens' Godparents will tell us that these catechumens are taking their training seriously, that their hearts are being changed, and that they are ready to be presented to the bishop. Then the Catechumens will sign their names in the Book of the Elect. Likewise, the candidate's sponsor will speak of the candidate's readiness to be received into the church. Then our Catechumens and Candidate will be sent to Bishop Thomas for the Rite of Election. At the Rite of Election, the Catechumens will become the Elect. Just as before a winner of an election takes office, for example president elect, to say "elect" means to have been chosen. In the same way, Catechumens will become the Elect; the Elect chosen to receive the sacraments at the Easter Vigil. During the Season of Lent, the Elect will take part in the First, Second, and Third Scrutinies on the Third, Fourth, and Fifth Sundays of Lent respectively. The Scrutinies are solemnly celebrated on Sundays and are reinforced by an exorcism. To "scrutinize" means to examine something very closely. These are rites for self-searching and repentance and have above all a spiritual purpose. When we celebrate the Scrutinies at Mass, we are not scrutinizing the Elect. Rather, they are scrutinizing their own lives before God and we are called to do the same along with them. They should uncover, then heal all that is weak, defective, or sinful in the hearts of the elect. The goal is to be strengthened to overcome the power of sin.

This is the final part of the journey for our Catechumens and candidate to become members of the church. So, what is our role as members of the church? First, we are called to pray for them. Second, we are called to journey with them. We are called to do what they are doing. Just as they are about to enter a time of purification and enlightenment, we too begin this Season of Lent entering a season of purification and enlightenment because as we journey towards Easter, like our Catechumens and candidate, we are preparing to renew our baptismal promises and bear out what our Catholic faith teaches us.

Greeting friends,

As members of Parish Council and Finance Committee, along with Father Matt and the parish staff, we want to provide an update related to the Living Christ financial campaign to all of our parish members. As you may know, St John's was part of wave 1 of this Diocese campaign last year from March to July. The parish goal was \$820,000. We are very humbled and honored to announce that the total pledges received was \$1,161,310! Praise God! These campaign pledges will be paid over the next 5 years. St John's has received \$149,000 back from the campaign so far. The total funds expected to be returned to our parish is \$457,655. When we initiated our portion of this campaign, we had included two main projects to garner support in the campaign.

The first of these projects was the handicap parking on the north side of the church which was completed last fall. The new parking area provides more handicap spots and much safer access for drivers and pedestrians. Thank you for the generous donations contributed by The Concrete Couple and K&L, and thank you to all those involved with the planning, preparation, and installation of this new parking area.

The second project was to provide safer and easier access to the choir loft of the church. Thank you to Technicon Design Group, who provided expert-developed concepts which were reviewed with the parish council and finance committee. Technicon provided at least seven different options for safe, building code compliant, methods of egress. Unfortunately, all of these included more challenges than we were able to resolve, such as the loss of several pews, blocking stained glass side windows, impeding the current aisles of the church, mechanically noisy lift options, etc. We regret to inform our faithful parishioners that we have been unable to establish a plausible addition of a new stairway. We are immensely grateful to several fine craftsmen in our parish, who have volunteered their time and talents to revise the current stairway to improve the egress. They removed the pedestrian door formerly located approximately halfway up the stairs. They built an enclosure at the top of the stairway and installed a new door to limit access to the choir loft and bell tower. They also improved the lighting in the stairwell. Thank you to all those involved with the choir stair access revisions.

The most current project utilizing Living Christ Campaign funds is to install electronic access control on several of the church and parish center doors. This will improve the process of access and control of our parish facilities. Currently, several parishioners unlock and lock our church each morning and evening to provide access for our community. Once this project is complete, the parish staff will have the ability to schedule doors to lock and unlock according to the mass and event schedules. The system will also provide feedback to ensure doors have locked properly when scheduled. This also eliminates the need of handling keys for parish center activities.

Parish council is currently building a list of maintenance and improvement projects for the church and parish center. We intend to put together a comprehensive list to ensure the priority of projects and funding, and meet the needs of the parish and the availability of finances over the next 5 – 10 years. On behalf of Fr Matt, the staff, parish council, and the finance committee, we extend our most heartfelt THANK YOU to all of our generous parishioners!!! We have a beautiful church, wonderful facilities, dedicated parishioners, and a loving community! We are truly blessed beyond measure.

## LENTEN REGULATIONS

The cross of ashes which Christians receive on our foreheads is a sign of our mortality and of the Lord's invitation to enter into this 40-day time of prayer, penance and inner conversion. While the entire Lenten season is one of conversion from the penance for sin, certain days of Lent are marked with a special penitential character as days of fast and abstinence. The church's Lenten regulations are as follows:

1. Ash Wednesday, March 2 and Good Friday, April 10, are days of abstinence from meat and days of fast. The law of abstinence is binding on all Catholics 14 years of age and older. The law of fasting is binding on all Catholics 18 to 59. On a fast day, only one full meal may be eaten and eating between meals is forbidden. Together, other meals eaten should not equal more than a full meal. Those who are over 60 yrs. of age, the sick, or persons who for other serious reasons should not reduce their food intake, are dispensed from the obligation to fast. In doubt, consult your priest.
2. All the Fridays of Lent are days of abstinence from meat. The obligation to do penance is a serious one; the obligation to observe, as a whole or "substantially", the penitential days specified by the Church is also serious. No one should be scrupulous in this regard; failure to observe an individual day of penance is not considered serious. People should seek to do more rather than less. Fast and abstinence on the days prescribed above should be considered a minimum response to the Lord's call to penance.
