Jesus desires that we, like his friend Mary, would spend time in his presence. Take time regularly to be with Jesus and listen to his living word. (Luke 10:38-42)

For each of us, that we might find a balance between prayer and service, we pray.

READINGS FOR NEXT SUNDAY July 24

Gn 18:20-32 Col 2:12-14 Lk 11:1-13

**From the
Desk of
Fr. Matt**

Is it better to be a Martha or a Mary? Is it better to be the one that serves Jesus and the rest of the guests or is it better to be the one that sits and listens at the feet of Jesus? Is it better to be the one that serves or the one that listens? My initial response is to want to question are not both important?

In our scriptures today Jesus tells Maratha “There is need of only one thing. Mary has chosen the better part and it will not be taken from her” (Luke 10:42). From this we can get the impression that it is better to listen than it is serve. And this can frustrate the ones that serve, the ones that do. Those that serve or do might object and explain how what they do is important. They might say if someone does not cook the food no body eats, if someone does not check if the guest needs something to drink nobody gets anything to drink. I

agree serving and doing is important, if given choice between serving/doing verse listening, I would probably choose to serve/to do. But sometimes amid serving and doing we can forget, why we are doing what we are doing. Sometimes we need to take the time to listen to remind ourselves why we serve, why we are doing what we are doing.

Several years ago, I went on mission trip to Appalachia and several of the people that I was on the trip with were carpenters, electricians, and had other specialty skills that were helpful in completing jobs at the various work sights. We arrived late in the afternoon on Sunday and that evening we were given a list of the various jobs that needed to be completed and we divided up our group to complete the tasks. At 5:30 AM Monday Morning one my fellow missionaries came woke everybody up and told us it was time to get to work. But before we could go to work, we went to Mass, ate breakfast, and then our guides before sending us out had an orientation for us about the culture of the area and we went over other details. The information was important, but it also delayed our getting out to our worksites and you could sense frustration on some of my fellow missionaries faces “why can we not just get out and do the work we came to do?” Yet our guides were trying to communicate that we were doing more than just replacing windows and floors. We here to change lives not only those we helped but our lives as well. Our guides were trying to get us listen, so that we could see Christ in the work that we were about to do.

In our scriptures today we encounter Abraham showing hospitality to three strangers, that seemed to be just passing through. This showing of hospitality was more than just showing hospitality to strangers passing through, it was culturally appropriate to show this kind of hospitality to a passing guest. But unknowingly some of these guests could have been God’s messengers as was in this case. We are called to show welcome and concern for each other, we are called to serve each other. Yes, because our faith teaches us to do this. But most importantly we are serving and welcoming the hidden presence of our God in our midst. May the Lord give us the eyes to see this hidden presence of our God in our midst so that we can serve our God.

**Living
Christ**
Diocese of Toledo

St. John the Baptist Catholic Church is proud to participate in the Diocese of Toledo *Living Christ* Campaign. The campaign raises needed funds to help support Catholic education, Seminarians, Retired Priests, Catholic Charities, and the Holy Rosary Cathedral. We at St. John's are proud to participate in this historic campaign. Our parish share will include constructing a new staircase to the Choir Loft and replacing the concrete and reconfiguring the handicap parking on the north side of the church. We receive 35% back of all we raised to our goal of \$820,000. Since we have surpassed our goal, we now receive 50% back of all that we raise over our goal of \$820,000. We have currently raised 1,307,000.00. 159% of goal.

You should have received a campaign packet (includes a pledge form) either through the mail or from a visit from a campaign visitor. Only you know your financial situation, but your participation is necessary. Only 32% of our parish families have participated so far. We need your participation. The average gift at St. John is \$5,800. I ask that you prayerfully consider a five-year pledge of \$5,800. Perhaps you can give more, perhaps less, but we need your financial support.

Pledge forms can be found in the back of church/at the entrances or in your campaign packet. Please complete your pledge form and drop it in the weekly offertory basket. You can also drop it off at the Parish Office. If it is easier, please consider going online at www.livingchristcampaign.org/donate to make your pledge.
