

World Day
for Grandparents
and the Elderly
2022

PRAYER FOR THE SECOND WORLD DAY FOR GRANDPARENTS AND THE ELDERLY, JULY 24, 2022.

I give thanks to you, Lord,
For the blessing of a long life
For, to those who take refuge in You, Grant always to bear fruit.

Forgive, O Lord,
Resignation and disillusionment, But forsake me not
When my strength declines.

Teach me to look with hope
To the future you give me,
To the mission you entrust to me And to sing your praises without end.

Make me a tender craftsman
Of Your revolution,
To guard with love my grandchildren
And all the little ones who seek shelter in You.

Protect, O Lord, Pope Francis
And grant Thy Church
To deliver the world from loneliness. Direct our steps in the way of peace. Amen.

THANK YOU, TO ALL OUR GRANDPARENTS FOR THEIR PRAYERS AND SUPPORT!

MAY GOD BLESS YOU!

What is NFP?

Natural Family Planning (NFP) is an umbrella term for certain methods used to achieve and avoid pregnancies. These methods are based on observation of the naturally occurring signs and symptoms of the fertile and infertile phases of a woman's menstrual cycle.

NFP is not "Rhythm." The Rhythm (or *Calendar*) method was developed in the 1930s. It was based on the scientific theory that ovulation could be predicted by calculating previous menstrual cycles. This method was often inaccurate because it did not take account of the unique nature of a woman's menstrual cycle. Today's methods of NFP do take account of such variations. Based on observable signs and symptoms of the fertile and infertile phases of the menstrual cycle, NFP methods track the changes associated with ovulation and not only treat each woman as unique, but each cycle as well. The accuracy of women's observations has been validated by scientific research.*

NFP is a holistic approach to family planning. Both husband and wife understand their fertility, emotions, and family planning intention (*whether to have a baby or not*). Its successful use to avoid pregnancy relies upon a couple's following what they know about the method and one another. Successful use of NFP requires a couple to communicate. In the daily charting of their fertility signs, couples quickly appreciate their shared responsibility for family planning. Husbands are encouraged to "tune into" their wives' cycles, and both spouses are encouraged to speak openly to each other about their sexual desires and their ideas on family size.

Couples using NFP to avoid pregnancy abstain from intercourse and genital contact when the woman is fertile and can conceive. The total days of abstinence will vary from woman to woman and even from cycle to cycle. Whatever the length of the fertile phase, no barriers or chemicals are used at any time to avoid pregnancy. To achieve pregnancy couples have intercourse during the fertile time of the cycle. NFP is not a contraceptive. It does nothing to suppress or block conception. Instead, couples adjust their behavior according to their family planning intention using the naturally occurring signs and symptoms of a woman's cycle

NFP promotes openness to the transmission of human life and recognizes the value of children. Sexual relations are understood as love-giving as well as life-giving. It is true family planning. Because NFP respects the two-fold nature of sexual intercourse, it can enrich the bond between husband and wife. Indeed, it can be said that NFP promotes the understanding of "self donation" between spouses. For these reasons it is an acceptable form of family planning for people of various religious and philosophical beliefs.

*“Ask and you shall receive: seek and you shall find, knock and it shall be opened to you.”
Believe and act on Jesus’ promise. Pray for wisdom to discern God’s will. (Luke 11:1-13).*

For educators and mentors, may they guide others to seek God’s will, we pray.

READINGS FOR NEXT SUNDAY July 31

Ecc 1:2, 2:21-23 Col 3:1-5, 9-11 Lk 12:13-21

“Lord, teach us to pray” (Luke 11:1). Are we creating a culture where faith can flourish or are we creating a culture of destruction? In our scriptures today we encounter both cultures one where faith flourishing as the disciples recognize something special in Jesus and approach Jesus and ask him to teach them to pray. We also encounter a culture of destruction God hears that “the outcry against Sodom and Gomorrah is so great, and their sin so grave, that I must go down and see whether or not their actions correspond to the cry against them” (Gen 18:20-21) in God going to checkout this leads to destruction. What kind of culture are we creating?

As I have been introducing myself over the past few weeks. I mention that my roots are in Maria Stein, many are familiar with my roots they mention the beautiful Relic Shrine, perhaps someday we can take a trip there together. Others have commented the culture of Maria Stein, Mercer County and Glandorf, Putnam County are very similar. In less than a month of being here, I agree there a lot of things that we share in common and a lot

of what I have experienced of you so far is just like when I am at home with family. I see many signs of growth and faith flourishing within our culture. But I am not blind we are not perfect; we have some room for growth. There are happenings within our culture that need our attention for change otherwise we might get destroyed.

Those that are sports fan and take note that I am from Maria Stein, have made comments about the success of Marion Local's sports winning several state titles. I played football in high school and yes, I was on the football team that won a state championship. Some have asked what is the secret to their success? Similarly, in coming to Glandorf, I take note of OG also is enjoying success in recent years. I understand OG has had teams that made it to state for example the boys' basketball team was State Runners-up. I in turn could ask you the same question what is the secret to your success?

The secret in some ways can seem rather simple good coaches and good athletes, a culture has been created lends to success. Athletes that are willing to do the work necessary to be successful and coaches mentor them. Parents and other adults that encourage teens and do not undermine the authority of coaches in front of our young athletes. Are we doing the same and more within our families, homes, and community, are we creating a culture for faith to grow and flourish into a championship like potential?

A child is presented for baptism by parents and godparents say they are going to create a culture for that child to grow and live in the faith. They say that they are going to teach that child to love God and neighbor. All the members of the church join with parents and godparents in creating a culture of faith for the child to grow and each one of us to grow in faith. Like a plant from time to time we need prune away what is dead and what taking life away so the plant can prosper. What in our lives do we need remove so that our faith can flourish?

St. John the Baptist Catholic Church is proud to participate in the Diocese of Toledo *Living Christ* Campaign. The campaign raises needed funds to help support Catholic education, Seminarians, Retired Priests, Catholic Charities, and the Holy Rosary Cathedral. We at St. John's are proud to participate in this historic campaign. Our parish share will include constructing a new staircase to the Choir Loft and replacing the concrete and reconfiguring the handicap parking on the north side of the church. We receive 35% back of all we raised to our goal of \$820,000. Since we have surpassed our goal, we now receive 50% back of all that we raise over our goal of \$820,000. We have currently raised 1,307,000.00. 159% of goal.

You should have received a campaign packet (includes a pledge form) either through the mail or from a visit from a campaign visitor. Only you know your financial situation, but your participation is necessary. Only 32% of our parish families have participated so far. We need your participation. The average gift at St. John is \$5,800. I ask that you prayerfully consider a five-year pledge of \$5,800. Perhaps you can give more, perhaps less, but we need your financial support.

Pledge forms can be found in the back of church/at the entrances or in your campaign packet. Please complete your pledge form and drop it in the weekly offertory basket. You can also drop it off at the Parish Office. If it is easier, please consider going online at www.livingchristcampaign.org/donate to make your pledge.
