The reign of God is being planted now. How is it taking root in you? Trust that you can make a difference by nurturing God's life in you. (Mark 4:26-34)

For our church that we may become strong and fruitful as we strive to further God's reign, we pray.

READINGS FOR NEXT SUNDAY JUNE 20TH Jb 38:1, 8-11 2Cor 5:14-17 Mk 4:35-41

**JUNE 13, 2021
11th Sunday of Ordinary Time**

The seed is the word of God, Christ is the sower. All who come to him will live forever. I know many of us want to get as much out of life as we can. But what about the next life? Christ is the one we come to when we want to live fully in the present moment on this earth. Christ is the one we come to if we want to live forever. Christ is

Lord of heaven and earth. So it would be a good idea to come to know Jesus while we are living on this earth. Christ wants us to spend time with him now and in the next life.

Some people may say that I do not have enough time for Christ on earth. I got too much to do. But what I am saying is spend time with him now and all eternity with him. Get up early in the morning and talk to Christ and learn about him in scripture. Pray the rosary before you take a shower in the morning. You can really do both. You can enter the divine and human aspect of being a disciple of Christ. I am not telling you anything new. This is what Christ expects of us. God does not want to take away your human experiences. He wants to enhance your human experiences. But you have to spend time with him to see the kingdom of God in the present moment. If you only have human experiences without spending time with God, you will get exhausted with human life. Prayer adds energy to your human living. Allow the word of God to take root in you. Plant it in your heart.

Have fun this summer. Be careful on those four wheelers and motor cycles. Enjoy God's creation by going camping. God bless you all. Fr. Tony
