

A Prayer to St. Joseph, Defender of Life

Dearest St. Joseph,
at the word of an angel,
you lovingly took Mary into your home.
As God's humble servant, you guided
the Holy Family on the road to Bethlehem,
welcomed Jesus as your own son
in the shelter of a manger,
and fled far from your homeland
for the safety of both Mother and Child.

We praise God that as their faithful protector,
you never hesitated to sacrifice
for those entrusted to you.
May your example inspire us also
to welcome, cherish, and safeguard
God's most precious gift of life.

Help us to faithfully commit ourselves
to the service and defense of human life
—especially where it is
vulnerable or threatened.
Obtain for us the grace
to do the will of God in all things. Amen.

St. Joseph

Faithful Protector of Mother and Child

The infant Christ “came into our world in a state of great vulnerability. He needed to be defended, protected, cared for and raised by Joseph” (PC 5). The humble and often hidden carpenter of Nazareth accompanied Mary in her pregnancy, assisted at the birth of the Messiah in a stable, presented Jesus in the Temple, fled with his family far from their homeland to protect them, and lovingly raised Jesus as his own son in the years to come.

While the angel of the Lord appeared to Mary to announce that she would bring forth the Savior of the world, it was revealed to Joseph in a series of dreams how God’s plans would be brought to fulfillment. As Pope Francis highlights, “God trusted Joseph, as did Mary, who found in him someone who would not only save her life, but would always provide for her and her child” (PC 5).

Dear St. Joseph,
help us to
imitate your
faithful trust and
courage.

Like every other human family, the Holy Family had to confront real and concrete challenges. Yet, “in every situation, Joseph declared his own ‘fiat’” (PC 3). His “yes” to the Lord meant that regardless of the hardship and personal sacrifice to himself, he consistently chose to put the needs of Mary and Jesus before his own. Joseph’s devotion helps reveal to us our own call to show special care for the lives of those whom God has entrusted to us.

During this Year of St. Joseph, each of us can find in him “an intercessor, a support and a guide in times of trouble” (PC, Intro). Joseph shows us how to say “yes” to life, despite our own fears, frailties, and weaknesses. For it is Joseph who was “chosen by God to guide the beginnings of the history of redemption. He was the true ‘miracle’ by which God saves the child and his mother” (PC 5).

May we, too, be miracles in the lives of those who are most in need, especially at the beginning and end of life. Dear St. Joseph, you who were “able to turn a problem into a possibility by trusting always in divine providence” (PC 5), help us to imitate your faithful trust and courage.

Children come to believe through those they love. We pray for married couples that they may be rooted in Jesus and share their love with their families. The call to married life is a special vocation.

For married couples that they may deepen their love and nurture the children in faith, we pray.

READINGS FOR NEXT SUNDAY OCTOBER 10 Wis 7:7-11 Heb 4:12-13 Mk 10:17-30

**From the
Desk of
Fr. Tony**

**OCTOBER 3, 2021
27th Sunday in Ordinary Time**

Today Jesus speaks to us about marriage. God wants people to stay married. I know couples have their differences but prayer can change the attitude of husband and wife. When husbands and wives pray together, they open up a whole new world of possibilities and understandings. Marital counseling helps but long-term relationships are nurtured and sustained through prayer. Marriages are centered on Christ and if Christ is not a part of a marriage then couples are depending on themselves. Couples usually get tired of each

other's thinking. We need Christ's thinking and direction.

In the last part of the gospel today we see, "and people were bringing children to him that he might touch them, but the disciples rebuked them. When Jesus saw this, he became indignant and said to them, "Let the children come to me; do not prevent them, for the kingdom of God belongs to such as these. Amen, I say to you, whoever does not accept the kingdom of God like a child will not enter it."

Then he embraced them and blessed them, placing his hands on them."

Children are a blessing from God. Children have no power and they are totally dependent on adults. I can tell you that each time I visit our preschool or visit the youth at CCD, I am changed for the better. You can see God's preciousness in children. As Christians we have an opportunity and duty to teach children about Christ and his church. It is a privilege to teach the gospel to children. Children have a certain trust in Christ and his teachings. Many children accept the gospels when the gospels are read to them. Children know what is true and pure and the gospel of Christ is true and pure. Children accept the kingdom of God. They have childlike trust. When we get older sometimes we get carried away with different types of false teachings. Usually, teachings that fit our fancy or pleasures. Being a Catholic isn't easy. It demands self-restraint and self-discipline in our prayer life and interactions with others. Jesus give us childlike trust in you. God bless you all. Fr. Tony

Celebrate Respect Life Month! Today is Respect Life Sunday, which kicks off Respect Life Month. Although we must cherish, protect, and defend human life year-round, the Catholic Church in the United States sets aside each October as Respect Life Month. This year's theme, "Live the Gospel of Life", is particularly suited for our times. While attacks against human life seem to grow ever more numerous and callous, we know that Christ has conquered sin and death.
